**West Virginia**  
*Wild and Wonderful*

**T**here's a place so relaxing, it will take you more than one day to settle into the peacefulness of it all. Imagine being surrounded by miles of national forest and a neighbor to the Canaan Valley National Wildlife Refuge and two state parks. Ski in winter, golf in summer... with plenty of other things to do anytime of year.

Black Bear Resort is the exemplary "home away from home." Each home and Inn suite is individually owned. Each Pedestal home is cared for by the owner; its own personal decor in place with thoughts of you in mind. Manicured grounds and personal touches in landscaping enhance Resort amenities.
